

2015 IRS TAX FILING EXTENSION RESPONSIBILITY

I _____ understand that I am being paid Title IV funding and/or any other financial aid funds (including Horizon and/or Gateway Grant) based on estimated income information from 2015. I have been granted a filing extension with the IRS for the 2015 tax year. I have provided Form 4868 to the Student Financial Services Office.

I understand once I complete my 2015 taxes I am required to update my 2017-2018 FAFSA using the IRS Data Retrieval Tool (DRT) or provide a copy of my Federal IRS Tax Transcript to the Financial Aid Office for review.

Furthermore, I understand that once the taxes are filed and FAFSA updated, I may or may not be eligible for Federal Aid and the funds may need to be adjusted based on my eligibility from the actual tax information. If an adjustment is required, I understand I may owe money back to EGCC as the result of an overpayment. In addition, I understand that if I am entitled to additional funds, EGCC will process accordingly.
